

> DARK WINTER <

It's been known that the Graphene Oxide in the Vaccines are creating > Blood-clots > Heart-Attacks> Nerve - Damage and other deadly symptoms.... But what's becoming clear now: is what the Graphene Oxide is doing to people's bodies internally > It is behaving like little razors in the bloodstream; cutting up the body; from the inside; damaging the Brain, Veins, Blood Vessels, Heart and other organs; causing them to stop functioning properly; which has been the main cause of so many deaths; after people have 'supposedly' been Vaccinated.

"Graphene Hydroxide (Hydroxide is a diatomic anion with chemical formula OH^- . It consists of an oxygen and hydrogen atom held together by a single covalent bond, and carries a negative electric charge. It is an important but usually minor constituent of water. It functions as a base, a ligand, a nucleophile, and a catalyst) was found in all the vax's studied.

The Graphene Oxide found in them; has shown to form structures in the Bloodstream; approximately 50 nm wide and 0.1 nm thick. They are very thin but very strong and act like little razor blades in the bloodstream that can cut through the blood vessels. They do not decompose and once in the bloodstream they will be there forever (short of the person getting a blood transfusion to remove them). Their effect on the blood vessels is cumulative; the longer they stay in there; the more damage they will do; to the blood vessels over time."

So therefore; getting the Vax is like playing Russian Roulette! The people who die immediately after having the vax; or soon after getting them; are the victims of that dangerous game! It is when the Graphene Oxide hits the Blood Vessel Wall immediately after getting it; that it causes collapses and often death in many people.

Doctors performing autopsies on victims of the Vax; are not going to find anything; because they'll be looking for some kind of biological explanation; as to the cause of death but the Graphene Hydroxide is not biological so it will not be visible in their tests; unless they change their testing procedures.

However; there has been photographed evidence of coagulated blood coming out of people's noses and also many cases of people dying of internal bleeding; which should encourage further investigation.

Many of the Top Athletes have especially been suffering from acute symptoms after having the vax's and many have been dropping dead from fast flowing blood; as this allows the razors to do more damage internally.

As a chemist, if you inject this into someone else's blood; then you are a Murderer; as there is a very high chance of killing that person; if you do!

The question to ask the vaccine makers and the politicians is: **WHY ARE THESE RAZOR BLADES INSIDE THE VACCINES?** How can they justify them being inside the vaccines? How can they then justify; wanting to force vaccinate children from age 5 and upwards with this horrible; life threatening B*O-WEAPON?

Dr. ANDREAS NOACK > The expert who released the above information; is believed to have been killed; recently after he blew the whistle on the vaxc*nes findings.....(he had previously been arrested; shortly after releasing the information and then a little while after that; mysteriously died!) The official story; is that he died of a Heart Attack > However; his wife has blamed **DIRECT ENERGY WEAPONS** > and said that she believes them to be the real cause of her husband's death! Which may seem; far-fetched for some but D.E.W's have been proven to be a commonly used weapon of choice; in covert Military and CIA Operations >

> The Question is: Are they tracking whistleblowers through their phones and other devices? Finding their locations and then killing them by Military Standard > High Technology > Direct Energy WEAPONS?//// All that can be said here is; either way; The body Count > during this entire C19 affair has certainly been piling up!
