Child Custody After Divorce: Comprehensive Guide

Divorce is an undesired step, especially while entering into a relationship with marriage. But, with various difficulties and a lack of mutual understanding, it becomes essential for the spouse willing to break the relationship to pursue their life with freedom. But, even after that, the scenario doesn't change if the couple have a child. Therefore, after divorce, it becomes the most deliberating issue that who will get the custody of a child as per the law and responsibility. Because, as per the constitutional aspects, it is necessary to concentrate on the nourishment of a child both physically and intellectually. Therefore, the custody of a child depends on various factors that who is more eligible and where the child should live. To know more about divorce and child custody, getting the suggestion from an expert [divorce lawyer](#) is more beneficial. Let's discuss some essential types of child custody.

Some Distinct Types of Child Custody

Physical Custody

Since the nourishment of the child is essential as per the judicial rules and it is ascertained that the child must get appropriate nourishment even after the separation between spouse and, therefore considering the situation the physical custody of a child is essential and the mother is always preferred for the child's physical custody, especially for below five years. As per the age and financial situation, it is further decided by the court. It can be understood better with the help of divorce lawyer due to their practical and theoretical knowledge and expertise.

Joint Custody by the parents

Joint custody means that the parents are responsible for the custody of the child even after the separation. In that case, they can choose the time periodically in which the duration of custody gets changed. However, it depends on the age of the child and financial condition and many more things

because, before passing the judgement, the constitutional bench always concentrates on these issues.

Legal Custody

Considering all the factors i.e., age, financial condition, the background of the family and, the order for legal custody is implemented as per the judgement of the court and between that both the parties i.e., the wife or husband can file the petition for their desired result. Ultimately, it's all, about the choice of a child that with whom he/ she wants to live. Therefore, to get profound ideas, you can also consult the advocate Sachin Kashyap for details.

Who can Claim Child Custody and Eligibility to have child custody?

It's the essential part after the separation and child custody can be claimed by both the party as per the Indian tradition, it is often seen that child custody is given to the paternal side. However, it's all about the final judgement and choice of the child. Apart from the parents, the child custody can be claimed by the paternal or maternal grandfather.
